TEST INSTRUCTIONS PAGE (v1)

The wireframe shows a top navigation bar with a house icon, a search bar, and a menu icon. Below this is a header section with the word "DYSIGN" and a three-line menu icon. The main content area contains the text "[Free] LDs Screening*" and two time-related icons: "Ages 5-15" and "⌚ 5-10 mins". To the left of these icons is the text "You will need". Below this, a bulleted list specifies "1 piece of blank paper" and "a pencil". To the right of the list is a drawing of a piece of paper with a pencil resting on it. Further down, there is a rounded rectangle containing the text "Start!". At the bottom of the page, there is a horizontal line with four icons: a square with an X, an envelope with an X, a circle with an X, and a checkmark with an X. Below this line are the words "Test", "FAQs", "Experts", and "Resources".

The diagram shows a wireframe of a mobile application screen. At the top, there are three icons: a house, a square, and a square with dots. Below this is a header with the word "DYSIGN". To the right of the header are three vertical bars of increasing height. The main content area is titled "Screening Result". On the left, a horizontal axis has an arrow pointing right labeled "Neurotypical". A dot on this axis is connected by a line to a box containing the letters "LD". The text "your child is showing signs of LDs (Learning Difficulties)." is written next to the box. Below this, a wavy line contains the text "what Does This mean?". To the right of this question is a rounded rectangle containing the text "Read More". Below the "Read More" box, the text "2 versions → LD → NT" is written. At the bottom, there are four icons with crossed-out checkmarks: a person, an envelope, a checkmark, and a square.
